****JESSICA****

(Excited, leaning in) Hey everyone, welcome back to my channel! Today, I'm sharing my 30-day journey of prioritizing my husband, Mike. I know what you're thinking... "Isn't that just a recipe for disaster?" But hear me out.

****B-ROLL:**** Footage of Jessica and Mike's daily life, with captions popping up on screen highlighting their busy schedules and lack of quality time together.

****JESSICA (V.O.)****

(Reflective, with a hint of sadness) Mike and I have been married for 5 years, and like many couples, we've gotten caught up in our own routines. We barely have time for each other, let alone meaningful conversations.

****JESSICA****

(Firm, with a smile) So, I decided to take on a challenge: for 30 days, I would put Mike first. That means prioritizing his needs, listening to him without interrupting, and showing him appreciation in ways that feel meaningful to him.

****JESSICA****

(To camera, enthusiastic) Here's how I started:

1. ****I asked Mike what he needed from me****. What are his love languages? What makes him feel seen and heard?
2. ****I created a schedule**** that ensures we have quality time together every day, even if it's just 15 minutes.
3. ****I practiced active listening****. No interrupting, no judging. Just listening.

****JESSICA (V.O.)****

(Thoughtful, with a touch of humor) It wasn't easy, folks. There were times when I wanted to interrupt, or get defensive. But I reminded myself: this is about putting Mike first.
